LOCAL LIQUOR COMMISSIONER'S HANDBOOK

Revised March 2019

PURPOSE OF LOCAL LIQUOR COMMISSIONERS' HANDBOOK

The purpose of this publication is to ensure compliance with the Illinois Liquor Control Act (the Act) and rules and regulations of the Illinois Liquor Control Commission (ILCC) as well as all local liquor ordinances across all levels of government. As the regulatory and licensing agency of the state's alcoholic beverage industry, it is the duty of the Illinois Liquor Control Commission to provide local entities with as much support and information as possible.

Through the ILCC's Licensing, Investigations, Legal, and Industry Education Divisions – including the Beverage Alcohol Sellers and Servers Education and Training (BASSET) and the Under 21 programs – ILCC is committed to promoting responsible sales and service within the industry. By communicating the importance of complying with the law, licensees will remain viable Illinois businesses. By utilizing this handbook, local liquor commissioners can promote local economy and ensure a safer community.

ILCC MISSION STATEMENT

“To protect the health, safety and welfare of the people of Illinois through careful control and regulation of the manufacture, distribution, and sale of alcoholic liquors and through the development of strategies to reduce youth access to alcohol products.”

SECTION A

Local Control

Local Commissioner and Commission

1. **Q. *Who is the local liquor commissioner?***
 - A. In an incorporated Illinois city, town or village, the mayor or president of the board of trustees is the local liquor commissioner with jurisdiction and full licensing authority within the municipality's corporate limits. In unincorporated areas, the president or chairman of the county board is the local liquor commissioner. See the Illinois Liquor Control Act of 1934 (the Act), 235 ILCS 5/4-2.
2. **Q. *Can the local liquor commissioner appoint assistants, deputies or a board to assist in discharging the duties of Commissioner?***
 - A. Yes. (235 ILCS 5/4-2)
3. **Q. *How should such appointments be made?***
 - A. The best procedure is to make appointments effective in writing.
4. **Q. *May a local commissioner and any appointed assistants be paid?***
 - A. Yes. The local governing body may authorize payments and salaries. (235 ILCS 5/4-2)

Local Licensing/Fees

5. **Q. *May a local commissioner require any segment of the alcoholic liquor industry not engaged in retail sales within the local jurisdiction, such as wholesalers, distributors or manufacturers, to obtain a local liquor license?***
 - A. No. The state commission (ILCC) has sole authority over these entities.
6. **Q. *How many and what kind of licenses can the local government body issue?***
 - A. The city council or local board has the authority to determine, by ordinance, the number, kind and classification of licenses (e.g., beer or wine only; hours of operation). The authority to determine whether a license shall be issued in the case of a particular applicant is vested in the local liquor commissioner. (235 ILCS 5/4-1)
7. **Q. *May the city council, president and board of trustees, or county board, have the power to determine the amount of the local license fee to be paid for the various kinds of licenses to be issued in their political subdivision?***
 - A. The city council or local board may determine by ordinance the fee for various licenses. (235 ILCS 5/4-1, 5/4-4)

8. *Q. May the city council or local board refuse or fail to enact any ordinance establishing numbers, kinds and classifications of licenses?*
 - A. If the city council or board refuses to enact any ordinance establishing the numbers, kinds and classifications of licenses, the state commission may issue a retail license without requiring a local license. (City of Fairfield v. Pappas, 199 N.E. 292 (1935))
9. *Q. What restrictions may the local authority enact by legislative action to regulate the issuance of liquor licenses?*
 - A. The local authority may impose reasonable regulations and restrictions, as the public good and convenience may require, upon the issuance of and operations under local licenses consistent with state law (i.e., license qualifications, number of available licenses, hours of operation).
10. *Q. May a local liquor commissioner examine or investigate an applicant for a retail liquor license or a renewal of such a license?*
 - A. Yes. The local liquor commissioner has the authority to examine the books and records of a license applicant or renewal licensee. (235 ILCS 5/4-5)
11. *Q. May a local liquor commissioner call upon the local police department to investigate a new applicant for a local retail license or license renewal?*
 - A. Yes. A license may not be issued to a person who is not of good character and reputation, or to persons who have been convicted of specific crimes, and a police investigation is often a necessary part of the license issuance procedure. (235 ILCS 5/4-4(2), 5/4-5, 5/6-2)
12. *Q. May the local liquor commissioner require a new or renewal applicant for a liquor license submit to a fingerprint check?*
 - A. Yes. (235 ILCS 5/4-7)
13. *Q. May a fee be charged for purposes of obtaining a fingerprint check?*
 - A. Yes. The local liquor commissioner can collect a fee and forward it to the appropriate policing body, which shall submit the fingerprints and fee to the Illinois State Police. (235 ILCS 5/4-7)

Local Ordinances – Limiting Authority

14. *Q. May the City Council or Local Board enact an ordinance declaring an area to be “dry”?*

15. *Q. May a local liquor commissioner control the sale of alcoholic liquor on Sunday?*
 - A. Yes. The local governing body may restrict the permissible hours of sale by general ordinance or resolution. (235 ILCS 5/6-14)
16. *Q. May the local liquor commissioner prohibit persons under a specified age from entering the premises of a tavern or other licensed retail establishment?*
 - A. Yes. A local municipality may by ordinance prohibit individuals under the age of 21 from being on the premises of certain licensed establishments. (235 ILCS 5/4-1)
17. *Q. May the local liquor commissioner set an age requirement for the serving, mixing, or handling of liquor by an employee, waitress, or bartender of a liquor licensee?*
 - A. Unless a community passes a law to the contrary, anyone 18 years of age or older can serve, mix, or handle alcoholic beverages of all kinds. (235 ILCS 5/4-1 and 11 Illinois Adm. Code 100.20; A.G. Ops. S-671, 1973; Tavern Owners Assn. of Lake Co. Illinois, Inc. v. Lake County, 367 N.E.2d 748 (1977))

Home Rule Authority

18. *Q. What is a home rule unit?*

- A. A home rule unit is any county which has a chief executive officer elected by the electors of the county and any municipality which has a population of more than 25,000. Municipalities with a population of 25,000 or less may elect by referendum to become a home rule unit. (Illinois Constitution, Article VII, Sec. 6(a))

19. *Q. Can a municipality, whether or not it is a home rule unit, amend, alter, or in any way change the legal age at which persons may purchase, consume, or possess alcoholic liquor as provided in the Act?*

Residency Requirements

20. *Q. Is a sole proprietor required to reside within the city, village, or county in which the licensed premises are located?*

21. *Q. Is an officer, member, partner, or owner of a corporation, limited liability company, or partnership required to reside within the local jurisdiction?*

23. *Q. Does the manager need to possess minimum qualifications to hold a liquor license?*

- A. Yes. The manager must possess the same qualifications required by the officer, member, partner, or owner of the business. (235 ILCS 5/6-2(a)(11))

SECTION B

General Provisions

Illinois Department of Revenue

1. *Q. What jurisdiction does the Illinois Department of Revenue maintain over the issuance, suspension, or revocation of licenses?*
 - A. The Illinois Department of Revenue may initiate a complaint with the local liquor commissioner or the Illinois Liquor Control Commission to deny the issuance or renewal of a retailer's license, or to suspend or revoke any such license for violations of the "Retailers' Occupation Tax Act." The ILCC is required to hold a hearing and take appropriate action upon such a complaint being filed. (235 ILCS 5/6-3)

State Facility Licensing

2. *Q. Do the exceptions for specific parks, community centers, and state facilities provided for in Section 5/6- 15 of the Act constitute an exemption from the local and state licensing requirements?*
 - A. Generally, state-owned property is ineligible to receive a liquor license. These exceptions merely make an otherwise ineligible premises eligible for licensing. Section 5/6-15 does not create an exemption from local and state licensing requirements. (A.G. Ops. S-1469, 1979)

3. *Q. Does this differ if the operating entity is the State of Illinois itself (e.g. state universities), as opposed to a lessee or concessionaire?*
 - A. Yes. The local liquor commissioner may not require the State of Illinois to secure a local license. However, a state license must still be secured. A lessee or concessionaire operating on state property would be required to secure both local and state licenses.
4. *Q. Does this differ if the operating entity is a local unit of government itself, such as a park district, concessionaire, or lessee on such property?*
 - A. No. Any local unit of government, or concessionaire/lessee, on such property must secure both local and state retail licenses to sell liquor in such locations. This applies to the park districts as well. No state license will be granted absent the issuance of a local license. (A.G. Op. S-1469 (1979))

Proximity Restrictions/Zoning

5. *Q. Are there restrictions on the issuance of liquor licenses for premises with proximity close to churches, schools, hospitals, and military stations?*
 - A. In general, no license shall be issued within 100 feet of any church, school (except colleges and universities), hospital, home for the aged, indigent persons or veterans, or any military or naval station. The 100 feet is to be measured from property line to property line in all cases, except that of a church. In the case of a church, the 100 feet shall be measured to the nearest part of any building to be used for worship services or educational programs, and not to property boundaries. The restriction does not apply to restaurants, hotels offering restaurant services, or regularly organized clubs or food shops and other such places where the sale of alcoholic liquors is not the primary business (The Act has some additional requirements for cities with populations over 500,000). Also, the restriction does not apply if the church or school is established after issuance of the liquor license, but a variance may be required by local zoning ordinance. With the passage of PA 100-0663 (SB 2436), a local liquor commissioner may issue an exemption, if authorized by local ordinance. (235 ILCS 5/6-11)
6. *Q. Can a school store have a liquor license?*
 - A. No retail liquor license shall be issued to any store or other place of business when the majority of customers are minors of school age or when the principal business is the sale of school books and supplies, food, lunches, or soft drinks to such minors. (235 ILCS 5/6-12)

Sale of Liquor on Election Days/Political Contributions

7. *Q. What restrictions are there on the sale of liquor on election day?*
 - A. There are none. Liquor may be sold at retail on the day of any national, state, county, or municipal election, just as any other day. The section of the Act prohibiting this was repealed in 1972.
8. *Q. May a licensee or its agents contribute to the campaign or expenses of a political party or a candidate for office?*
 - A. Yes. The section of the Act that prohibited this activity was repealed June 30, 1978.

10. *Q. Is it required that a newly hired alcohol beverage server in a county where server training is mandatory be trained when hired?*
 - A. No. Training must be completed within 120 days of the hire date.
11. *Q. Which of my employees needs to have responsible alcohol server (BASSET) training?*

12. *Q. In mandatory training counties, is it required that packaged liquor or "to go" only alcoholic liquor businesses employ server trained staff?*
 - A. No. Mandatory server training is required only for servers and persons responsible for checking ID's for businesses serving alcoholic liquor on-the premises

13. *Q. Is it required that servers at not-for-profit special events be server trained?*
- A. No. Servers at not-for-profit licensed events are excluded from mandatory server training requirements.
14. *Q. Is it required that servers at special use licensed events be server trained?*
- A. Yes. Servers at special use events held in mandatory server training counties are required to be server trained.

16. *Q. Is it required that a server possess a server training card while working?*
- A. While it is highly recommended that a server possess a server training card while working, server training can also be confirmed on the following website:
www2.illinois.gov/ilcc/Education/SitePages/BASSETCard.aspx. It is also recommended that the employer maintains copies of server training certificates/cards for all employees in mandatory server training counties.

Signage - Interior

17. *Q. Does Illinois require a retail licensee to post a pregnancy warning sign? If so, what is the message and what are the reasons for the warning?*
- A. The State of Illinois requires every holder of a retail liquor license to frame and hang in plain view an educational sign that warns about fetal alcohol syndrome (FAS) and birth defects.
- The FAS sign must read: "Government Warning: According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects." (235 ILCS 5/6-24(a))
18. *Q. Is smoking prohibited in all liquor licensed establishments?*
- A. Yes. The Smoke-free Illinois Act prohibits smoking in all Illinois-licensed liquor establishments, including private clubs.
- Additionally, signage is required to be posted to be in compliance with the law. To review this law and download the required signage, visit the Illinois Department of Public Health's website at www.smoke-free.illinois.gov.
19. *Q. What other signs are required if tobacco is sold in the establishment?*
- A. In an establishment that sells tobacco products, the two following signs must be posted.
- "Surgeon General's Warning: Smoking by Pregnant Women may result in fetal injury, premature birth, and low birth weight. Sale of tobacco in any of its forms to minors under the age of 18 is against Illinois law."
 - "Sale of tobacco accessories and smoking herbs to persons under eighteen years of age or the misrepresentation of age to procure such a sale is prohibited by law. Sale of tobacco in any of its forms to minors under the age of 18 is against Illinois law."
- (410 ILCS 85/4; 85/5; 720 ILCS 675/1; 720 ILCS 685/4; and 720 ILCS 675/1)

SECTION C

Licenses

Renewals

1. **Q. *Does a licensee have an absolute right to the renewal of a liquor license from year to year?***
 - A. No. License renewal is not a vested right as may prevent a local authority from decreasing the number of licenses to be issued within its jurisdiction. However, the renewal may not be arbitrarily refused, and the license must be reissued if the licensee continues to be qualified, and if there has been no reduction in the number of licenses. (235 ILCS 5/6-1-2(8))
2. **Q. *Can a local liquor commissioner revoke a license by denying renewal?***
 - A. A local liquor commissioner cannot avoid the procedural revocation requirements by waiting for a license to expire and then refusing to renew. A local liquor commissioner must hold a hearing if a license will not be renewed. (City of Wyoming v. ILCC, 362 N.E.2d 1080 (1977))

Transfer of Licenses

3. **Q. *May a licensee transfer a liquor license to a different premises?***

4. **Q. *May a licensee transfer a license to another person?***
 - A. No license may be transferred to another person without that person being determined eligible to hold a license by the local liquor commissioner. (235 ILCS 5/6-1)
5. **Q. *In a case where a licensee dies, what is the status of the license?***
 - A. The executor or administrator of the estate may, under court order, continue operating the establishment under the issued license for six months or until the license expires, whichever is earlier. The license cannot be transferred to another person by means of a will without that person being determined eligible to hold a license by the local liquor commissioner. (235 ILCS 5/6-1)

6. *Q. If an establishment declares bankruptcy, may the business continue selling alcoholic liquor?*
- A. Under order of the appropriate court, the trustee may exercise the privileges of the bankrupt licensee until the expiration of the license or for six months, whichever is earlier. (235 ILCS 5/6-1)

(Palmer v. Illinois Liquor Control Commission, 33 Ill. Des. 100, 396 N.E. 2d 325, 1979, Ace Produce, Inc. v. St. of Ill. Liq. Cont. Comm., Ill. Des. 812, 417 N.E.2d 214, 1981)
8. *Q. Can a church or private school be issued a liquor license?*
- A. Churches and private schools may receive retail liquor licenses regardless of the distance involved if sales of alcoholic liquors are limited to when groups are assembled for some common purpose other than for the sale or consumption of alcoholic liquors. (235 ILCS 5/6-12)

Residency

9. *Q. Must a licensee be a resident of the particular locality?*
- A. Sole proprietors must be residents in the locality where the business is licensed. Partners need not be residents unless required by local ordinance. (235 ILCS 5/6-2(1)(9)(11))

10. *Q. Are there residency requirements for a corporation and its officers, directors, shareholders, and managers?*
- A. The residency requirement does not apply to corporations, and their officers, directors, shareholders, or managers, unless the municipality has enacted an ordinance requiring that a manager or agent be a resident of the municipality. (235 ILCS 5/6-2(10); (235 ILCS 5/6-2(11); (See Aurora Pizza Hut, Inc. v. Hayter, 398 N.E. 2d 1150 (1979).)

V. Any other locally required licenses or permits (235 ILCS 5/7-1)
12. *Q. Must all legally required licenses and permits of state or local issuance be plainly displayed at all times on the licensed premises?*
- A. Yes. The Act requires all state licenses to be framed and hung in a conspicuous place on the licensed premises. Local licenses may be required to be posted by local ordinance. (235 ILCS 5/6-24)
13. *Q. Is liquor liability insurance (dram shop insurance) required for establishments with an "on-premise" consumption license?*
- A. Yes. Dram shop insurance is required for liquor establishments that sell alcohol by the drink (bars, restaurants, etc.). (235 ILCS 5/6-2(a)(18))

Airplanes, Trains, and Riverboats

14. *Q. Does an airplane, train, or boat require a local liquor license or only a state liquor license?*
- A. Airplanes, trains, and boats require a state liquor license only. If a boat has a land-based facility, then both a local and state license are required for that facility. If the boat regularly operates as a common carrier on navigable waters, or is a permanently moored barge with a public dining area or restaurant, then only a state license is required. (235 ILCS 5/7-13)

Revocations

15. *Q. May a new local license be issued to a premises within one year of a revocation?*
- A. No, unless the ILCC, the local liquor Commissioner, and the Illinois Department of Revenue have approved such issuance, the revocation was vacated, or the revocation was issued against the licensee only, and the new licensee is not related to the licensee from whom the license was revoked.

Special Events

16. *Q. How is a special event retailer defined?*
- A. A special event retailer is an educational, fraternal, political, civic, religious, or non-profit organization that sells or offers for sale alcohol for consumption at the location on the dates designated by a special event retailer license. (235 ILCS 5/1-3.17.1)
17. *Q. What procedure must be followed for a special event retail licensee (not-for-profit) to sell alcohol at one of its functions?*
- A. A qualified entity can receive a state special event retail liquor license for an event. However, it must show proof of dram shop insurance and that the local liquor commissioner has approved the event. (235 ILCS 5/1-3.17.1 and 235 ILCS 5/5-1(e))
18. *Q. May a special event retailer licensee (not-for-profit) purchase alcoholic liquor from another retail licensee?*
- A. Yes. There is a \$500 limitation for such purposes. (235 ILCS 5/1(e))

Special Use Permits

- A. A licensee may receive a state-issued special use permit license which allows the licensee to sell alcohol up to 15 days per off-site location, per year. However, it must show proof of dram shop insurance and that the local liquor commissioner has approved the events. (235 ILCS 5/1-3.35 and 235 ILCS 5/5-1(q))

(235 ILCS 5/6-28(b)(2))

16. *Q. Can drink size, or alcohol content, increase during the course of a business day?*

- A. The happy hour law prohibits increasing the volume of alcoholic liquor contained in a drink or the size of a drink, without proportionally increasing the price regularly charged for that drink on that given day. (235 ILCS 5/6-28(b)(4))

17. *Q. Can a licensee advertise illegal promotions at their establishment?*
- A. As it is illegal to provide happy hour-type promotions at any licensed establishment, it is also illegal to advertise such promotions. Any promotion that is advertised must be valid during the course of normal business hours any given day. (235 ILCS 5/6-28(b)(6))

24. *Q. Do licensees have to post the prices of all drinks?*

SECTION E

Fines, Hearings, Appeals, & Revocations

Hearings

1. *Q. May local liquor licensees be fined, or have their licenses suspended, revoked, or denied without a hearing?*
 - A. In general, no licensee may be fined, or have their license suspended, revoked, or denied without an opportunity to be heard within a minimum three days of written notice being delivered to the licensee. It is important to note that the courts have interpreted all notice and hearing requirements of 235 ILCS 5/7-5 as applicable to denials of renewals as well as suspensions and revocations. However, if the local liquor commissioner has reason to believe that the continued operation of the licensed premises will immediately threaten the welfare of the community, the issuance of a written order stating the reason for such conclusion and without notice of hearing, is sufficient to order the licensed premises closed for not more than seven days, during which time the licensee must have an opportunity to be heard. (235 ILCS 5/7-5, *City of Wyoming v. Liquor Control Commission*, 362 N.E. 2d 1080 (1977))

Licensee Convictions

2. *Q. What happens if a court convicts a licensee or any officer, director, manager, or other employee in a position of authority of violating the liquor statutes?*
 - A. A retail license holder convicted by any court of any violation of the Illinois Liquor Control Act is subject to revocation proceedings, but revocation is discretionary. If the license is revoked, the licensee shall forfeit state and local licenses and the fees paid for them. (235 ILCS 5/10-3, 235 ILCS 5/10-4)
3. *Q. Does a finding of “not guilty” in a criminal prosecution of a licensee or agent of a licensee preclude an action to fine, suspend, revoke, or deny renewal of a State or local license?*
 - A. No. See *Nechi v. Daley*, 188 N.E. 2d 243 (1963); *Legones v. Lic. Appeal Comm.*, 241 N.E. 2d 499 (1968).

Local Hearings

4. *Q. What is the minimum notice for a hearing?*
 - A. At least three days written notice in every case before the local liquor commissioner, and it must spell out for the licensee what the charge is, and state the specific provisions of the law that have been allegedly violated. (235 ILCS 5/7-5) Actions taken by the ILCC require ten days notice before a hearing. (11 Illinois Adm. Code 100.180)
5. *Q. How should hearings on liquor license violations be conducted by the local liquor commissioners?*
 - A. The best procedure is to hold a public hearing before a certified court reporter or certified shorthand reporter. (235 ILCS 5/7-9)
6. *Q. Can private citizens initiate proceedings against a licensee?*
 - A. Any five residents of the particular municipality or county may file a complaint against a license holder. The complaint must be in writing in the form prescribed by the local liquor commissioner and shall be signed and sworn to by the parties complaining. The complaint must specify the law or regulation allegedly violated and state the detailed facts upon which belief in the alleged violation is based. (235 ILCS 5/7-7)
7. *Q. When a citizen's complaint is lodged with the local liquor commissioner, must the local liquor commissioner institute action against the licensee named?*
 - A. Action is not required unless the commissioner determines that based on the facts of the allegations, there is reasonable cause to believe a violation exists. (235 ILCS 5/7-7)
8. *Q. If the local liquor commissioner determines that there is no reasonable cause to believe a violation exists or makes no determination on a complaint, may this action be appealed to the Illinois Liquor Control Commission?*
 - A. Yes., Interested persons or citizen groups may appeal and the same procedures apply for appealing a suspension, revocation, or denial of a renewal. See questions 9 & 10 below. (235 ILCS 5/7-9)

9. *Q. How long does a local liquor commissioner have to render a decision after a hearing?*
 - A. Within five days after a hearing, the local liquor commissioner shall state the reasons for any determination in a written order and shall serve a copy of the order to the licensee. (235 ILCS 5/7-5)

Suspension

10. *Q. May a local liquor commissioner suspend a license for more than 30 days?*
 - A. No. The local liquor commissioner is not authorized to suspend a license for more than 30 days. (235 ILCS 5/4-4(1))
11. *Q. If a local retail liquor license is ordered suspended from a premises that also houses other business operations, are those other businesses also subject to the suspension order?*
 - A. No. The sale of alcohol is the only business that must be suspended. (235 ILCS 5/1-3.05)

Fines

12. *Q. May any local liquor commissioner impose a fine against a licensee and are there any limits on the fines which may be assessed against a licensee by the local liquor commissioner?*
 - A. Yes. Any local liquor commissioner may impose a fine upon or suspend a licensee. Any fine imposed shall not exceed \$1,000.00 **per violation** and no more than \$15,000.00 maximum in total fines against any licensee during the period of the active license. (235 ILCS 5/7-5)

Appeals of Local Orders

13. *Q. What provisions are there for a licensee to appeal a decision of the local liquor commissioner in refusing to grant a license, revoking, suspending, or denying the renewal or transfer of a license, or imposing a fine?*

- A. Except in cases of appeals from the City of Chicago Liquor Commissioner, a licensee may, within 20 days after notice of the order or action, appeal to the state commission. After 20 days, the local order becomes final and there is no further recourse. Hearings before the state commission are considered to be a new trial, except for communities that have adopted a resolution requiring that review be of the official record of the proceedings before the local commissioner. (235 ILCS 5/7-9)

14. *Q. What effect does a licensee appeal have upon their duty to pay a fine, serve a suspension, or ability to operate in the event of a revocation imposed by the local liquor commissioner pending the outcome of the appeal hearing?*

- A. Generally, an appeal operates as a stay of the decision of the local liquor commissioner, and the fine need not be paid, suspension served, or business operations closed. However, whenever a licensee appeals a suspension or revocation that is the second or subsequent suspension or revocation ordered by the local liquor commissioner within the preceding 12 months, the suspension or revocation shall be effective until the state commission makes a determination on the appeal. (235 ILCS 5/7-9 and 11 Illinois Adm. Code 100.230)

15. *Q. When does the stay become effective?*

- A. Upon notice to the local liquor commissioner that an appeal has been accepted, the stay becomes effective. While the ILCC tries to provide this notice in writing, when time constraints present a problem, it may be done by fax or telephone. (235 ILCS 5/7-9 and 11 Illinois Adm. Code 100.350(d))

Revocation

16. *Q. What constitutes grounds for revocation of a liquor license?*

- A. A liquor license may be revoked for cause. This may include
- a violation of the Act or the rules and regulations of the ILCC,
 - a violation of a municipal ordinance or established rule of the local liquor commissioner, or
 - a violation of any other state or federal law pertaining to the operation of a dram shop.

However, Illinois courts have generally upheld only revocations for licensees that have had repeat violations (e.g., sales to minors) or where the licensee or its employees are directly involved in criminal or quasi-criminal activity (e.g., unlicensed gambling, drug sales or prostitution). (235 ILCS 5/4-4, 235 ILCS 5/7-5, 11 Illinois Adm. Code 100.30)

State Appeals

17. *Q. What provisions are there for judicial review of the ILCC's decision?*

- A. The proceedings of the state commission are subject to judicial review pursuant to the provisions of the Administrative Review Law (735 ILCS 5/3-101, et seq.). No action for judicial review may be allowed unless the appellant has first filed a petition for re-hearing and the Commission has acted on the petition. (235 ILCS 5/7-10, 235 ILCS 5/7-11)
